The map displays a detailed topographic representation of the Bugøynes - Bugøyfjord - Neiden region. It features a network of ski routes, each identified by a number from 1 to 10. A specific route, labeled '3 alt. løype', is highlighted in the western part of the map. The terrain is characterized by numerous lakes, rivers, and mountainous areas, with contour lines indicating elevation. Place names are written in both Norwegian and Sami languages. The map is bordered by a blue line on the left and bottom, likely representing the municipal boundary. The legend in the top-left corner provides information about the map's scale (1:50000 A0), date (04.11.19), and approval date (09.12.19), as well as the local authority (Sør-Varanger kommune).
